Independent Auditor's Report

To the Directors of Surrey Place Centre Charitable Foundation

We have audited the accompanying financial statements of Surrey Place Centre Charitable Foundation, which comprise the statement of financial position as at March 31, 2016, and the statements of operations, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

In common with many not-for-profit organizations, the Foundation derives revenue from contributions from the public the completeness of which are not susceptible to satisfactory audit verification. Accordingly, verification of this revenue was limited to the amounts recorded in the records of the Foundation. Therefore, we were not able to determine whether any adjustments might be necessary to contributions, deficiency of revenue over expenses, and cash flows for the years ended March 31, 2016 and 2015, current assets as at March 31, 2016 and 2015, and net assets as at April 1, 2014 and 2015 and March 31, 2015 and 2016. The audit opinion on the financial statements for the year ended March 31, 2015 was modified accordingly because of the possible effects of this limitation in scope.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of Surrey Place Centre Charitable Foundation as at March 31, 2016, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Other Matters

The financial statements of Surrey Place Centre Charitable Foundation for the year ended March 31, 2015, were audited by another auditor who expressed an audit opinion on those statements on June 24, 2015.

Surrey Place Centre Charitable Foundation Notes to Financial Statements

March 31, 2016

1. Significant Accounting Policies

Nature and Purpose of Organization	Surrey Place Centre Charitable Foundation (the "Foundation"), was incorporated on May 4, 1989, as a non-profit corporation without share capital. The Foundation qualifies for tax exempt status as a Canadian registered charity and is recognized as a non-profit organization as defined in paragraph 149(1)(l) of the Income Tax Act (Canada). The Foundation receives and applies its funding for the benefit of people with developmental disabilities.
Basis of Accounting	The financial statements have been prepared using Canadian accounting standards for not-for-profit organizations.
Revenue Recognition	<p>The Foundation follows the restricted fund method of accounting for contributions.</p> <p>Unrestricted contributions and restricted contributions in which a separate restricted fund has been established are recognized as revenue when received or receivable, if the amount to be received can be reasonably estimated and collection is reasonably assured.</p> <p>Investment income and special events revenue are recognized when earned.</p>
Financial Instruments	<p>Financial instruments are recorded at fair value at initial recognition. In subsequent periods, equities traded in an active market are reported at fair value, with any change in fair value reported in income. All other financial instruments are reported at cost or amortized cost less impairment if applicable. Financial assets are tested for impairment when changes in circumstances indicate the asset could be impaired. Transaction costs on the acquisition, sale or issue of financial instruments are expensed for those items measured at fair value and charged to the financial instrument for those measured at amortized cost and amortized over the expected life of the instrument using the straight line method.</p> <p>The Foundation's financial instruments consist of cash and cash equivalents and investments which are recorded at fair value and accounts receivable which are recorded at amortized cost.</p>
Contributed Services	Volunteers contribute many hours per year to assist the Foundation in carrying out its activities. Due to the difficulty of determining their fair value, contributed services are not recognized in the financial statements.

1. Significant Accounting Policies (continued)

Externally Restricted Net Assets	<p>Research Endowment fund Net assets restricted for endowments by donors are to be used solely for the purpose of research and will be held in trust by the Foundation for a minimum of ten years.</p> <p>Education fund Net assets restricted for education have been externally restricted by donors to be used solely for the purpose of staff education and development, and other educational activities to promote the issues of developmental disabilities.</p> <p>Other designated funds Net assets restricted by donors for various purposes.</p>
---	--

2. Investments, at Market Value

The carrying amount of investments is comprised of the following:

	2016 Fair Value	2015 Fair Value
Canadian bonds	\$ 674,523	\$ 671,887
Canadian equities	216,087	223,926
International equities	237,302	233,964
	<u>1,127,912</u>	<u>1,129,777</u>
Less: Restricted investments, at market value	35,535	35,535
	<u>\$ 1,092,377</u>	<u>\$ 1,094,242</u>

3. Related Party Transactions

Surrey Place Centre Charitable Foundation and Surrey Place Centre (the "Centre") are separate legal entities whose financial information is reported separately. The Centre is a registered Canadian charity that receives and applies its funding for the benefit of people with developmental disabilities and its objectives are similar to those of the Foundation. The Centre has presumptive control over the Foundation through its board member representation on the Foundation's board of directors.

During the fiscal year, the Foundation extended a grant to the Centre in the amount of \$46,982 (2015 - \$47,713) measured at the exchange amount.

Included in accounts payable and accrued liabilities of the Foundation at year end is \$170,583 (2015 - \$112,575), including \$10,951 (2015 - \$74,570) in human resource costs, measured at cost of recovery. These expenses are included in donor relations and operations expenses. The Centre and Foundation share common premises and operational staff. The Foundation is not charged for occupancy by the Centre.

Amounts due to the Centre are unsecured, non-interest bearing and due on demand.

4. Externally Restricted Net Assets

	2016		2015
Research Endowment fund	\$ 33,325	\$	33,325
Education fund	1,590		1,590
Other designated funds	620		620
	<u>\$ 35,535</u>	\$	<u>35,535</u>

5. Financial Instruments

Other price risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices, whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The Foundation is exposed to other price risk through its investments in quoted shares.

The Foundation manages other price risk through asset allocation and maintaining a portfolio that is expected to have a low susceptibility of significant fluctuations in market price.

There have not been any changes in the risk from the prior year.

Liquidity risk

Liquidity risk is the risk that the Foundation will encounter difficulty in meeting its obligations associated with financial liabilities. Liquidity risk includes the risk that, as a result of operational liquidity requirements, the Foundation will not have sufficient funds to settle a transaction on the due date; will be forced to sell financial assets at a value, which is less than what they are worth; or may be unable to settle or recover a financial asset. The Foundation is exposed to this risk mainly in respect of its accounts payable and accrued liabilities.

The Foundation's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient cash flows to fund its operations and to meet its liabilities when due, under both normal and stressed conditions. The Foundation maintains a portion of its invested assets in liquid securities.

There have not been any changes in the risk from the prior year.
